CASE NO. 19-md-02913-WHO**

1 The Court previously granted final approval of the Class Action Settlements with JLI and Altria.
2 Dkts. 4138, 4212. After Class Counsel and the Settlement Administrator, Epiq, completed the claims
3 review process, the Court authorized distribution of the Net Settlement Fund to claimants, Dkt. 4326,
4 and distribution of funds to claimants who successfully disputed the initial denial of or payment amount
5 on their claims. Dkt. 4394. Some of the payments to claimants remain pending.

6 Regarding settlement administration expenses, the Court approves payment of \$743,113.58 of
7 the settlement administration costs reflected in the February to August 2025 invoices submitted by Class
8 Counsel. Dkts. 4444, 4444-1.

9 The Class Settlements' post-distribution accounting is currently due December 22, 2025 and a
10 Case Management Conference to review the post-distribution accounting set for January 20, 2026. Dkt.
11 4407. To allow time for a second distribution, the deadline to file the post-distribution accounting is
12 extended to July 1, 2026, and the hearing will be rescheduled at the Court's convenience. These dates
13 may be further adjusted on stipulation of the parties and subject to approval of the Court.
